

## *When Art speaks.....*

Simon & Helena Arts will be holding an exhibition from 26th March to 1st April on one of Myanmar's finest Realism artists, Zaw Zaw Aung. A native son of Danubyu (South-West of Myanmar), Zaw Zaw is a graduate from the School of Fine Arts in Yangon and a protégé of renowned artist Min Wae Aung. Zaw Zaw has held many exhibitions in Singapore, Perth, Bali, Bangkok and Brunei as well as the opportunities of being featured in prolific magazines such as Golf Digest, The Edge, TRESORS, Hot Nouveau as well as local television Mediacorp's Money Talk program.

Fond memories of sunflowers, verdant rice terraces and village life in Danubyu formed the inspirational roots of the artist; time and again, Zaw Zaw reaches back to the memories of his childhood, culture and daily life as his core influences for his work. Through his art, Zaw Zaw brings to his audience, the stories from his country, his culture and history.

Inspiration is fleeting, one has to be quick enough to recognize it, grasp it, nurture it and grow it.
